EDUCATION

Federal University of Technology,
Bachelor of Science in Information Technology,

Owerri, NG
Sept. 2022 – Sept 2027

PROJECTS

Priv-Con | *Python, Next.js, React, LibreOffice,*

- Built a local-first document conversion web app that processes Office documents, PDFs, and images entirely on the user's machine to guarantee privacy and confidentiality
- Built a modular FastAPI backend and Next.js frontend supporting document-to-PDF conversion, PDF merge/split, and image-to-PDF workflows powered by LibreOffice and Python processing libraries.
- Implemented secure file handling with upload validation, automatic temporary file cleanup, and robust error handling

AI Email Responder | *Python, Gmail API, SQLite, AI/LMMs*

- Built an AI-powered Gmail automation tool in Python that generates contextual email replies and saves them as Gmail drafts using the Gmail API and OpenRouter LLMs.
- Implemented OAuth2 authentication, SQLite activity logging, and duplicate draft prevention to ensure secure, reliable, and traceable email processing.

EXPERIENCE

Ai Assisted Coding Tutor

May 2022 – July 2022

Elite High School

Port Harcourt, NG

- Taught 50+ high school students the fundamentals of AI and AI-assisted coding, including prompt engineering basics.
- Designed and delivered beginner friendly, hands on coding lessons that simplified complex AI concepts into practical exercises, enabling first-time learners to effectively use AI tools for programming, debugging, and problem solving.

Data Analysis Internship

April 2026 – Present

Skill Boost Africa

Port Harcourt, NG

- Applied data analysis techniques to real-world business datasets, strengthening skills in data visualization, reporting, and analytical problem-solving.
- Analyzed and transformed datasets using Microsoft Excel and Power BI, and using interactive dashboards to deliver accurate reporting and actionable business insights.

LEADERSHIP

Dominion City Global (DC)

Nigeria

Lead Media & Creative Director — Dominion City FUTO, Owerri

Sep. 2024 – April 2026

Enhanced Dominion City Futo online presence and visual brand identity through leading and directing the Media & Creative team, using strategic digital content creation, live-stream production, and social media management.

Lead Photographer & Social Media Manager — Dominion City Woji, PH

April 2026 – Present

Enhanced Dominion City Woji's visual storytelling and social media engagement through capturing high-quality photography of worship services and church events, using professional event photography, collaboration with the creative editing team, and strategic social media post.
